## BENEFITS

Do you have responsibility for Security? Because if you do, then this Course is for you. Learning from someone else's experience is always preferable to learning from your own misfortune.

Terrorism is not a new phenomenon but the threat is growing and the likelihood of you or the business you represent getting caught up in an attack is increasing.

This course not only gives you an up-to-date perspective of terrorism but also provides you with the tools to implement in both the private and public sector. Tools that will reduce vulnerability to a terrorist attack.

There is a growing need for excellence in Countering Terrorism Security Consulting and this course provides you with the knowledge to provide that specialist Counter Terrorism Security advice.

# Instructor Profile

## Chris Phillips

GCGI FCIISCM, FSYI

Former – Head National

Counter-Terrorism-Security Office – UK

**Mr. Chris Phillips** is a highly motivated former senior police officer with particular expertise in **Counter-Terrorism (CT) Strategy-Protective security and Counter-Terrorism training.**

**As Former Head of National Counter-Terrorism security office-UK,** he has represented the UK government in a number of countries as a Counter-Terrorism expert and has developed and trained many Police, Military and Business people in Counter-Terrorism. He has extensive policing experience in both Public order and community based policing.

**He was responsible for training, accrediting, tasking and co-coordinating over 250 Counter-Terrorism Security Advisers across the UK.**

**He has also conducted training at Sardar Vallabhbhai Patel National Police Academy.**

**As Head of the National Counter-Terrorism Security Office he had three major responsibilities within the United Kingdom:**

- The protection of Crowded Places within the UK and to reduce the vulnerability of British nationals overseas from the terrorist threat to crowded places and soft targets. The role involved providing Counter Terrorist advice to all business involved in crowded places including Hotels, Stadiums, Shopping centers, Visitor attractions and licensed premises.
- Protecting hazardous sites and dangerous substances. His team worked with the business community to make the terrorist acquisition of weapons more difficult, there-by reducing the likelihood of a successful attack on the UK.
- Supporting the CPNI to Protect the UK's Critical National Infrastructure.

Within this role he developed National Strategies for these work streams and especially for the protection of Crowded Places where NaCTSO are acknowledged as world leaders. Some of the training and awareness programs he has initiated are known worldwide.

**He has developed best practice across a range of business sectors. Unparalleled knowledge, of the Crowded Places strategy, protection of hazardous sites, Dangerous Substances and the Critical National Infrastructure.**

**A very experienced Police Security Coordinator (SECCO) he coordinated the Counter Terrorist security for visits to the UK from foreign governments and dignitaries. His specialization however is in the field of strategic Counter-Terrorism advice and best practice.**

He has written many articles for magazines and is a commentator on Policing, Security and Counter-Terrorism matters on all the main media outlets in the UK and has also appeared in South East Asia and Canada. He is widely acknowledged as an expert in Counter-Terrorism on National and World media.
